

Prince and Poppet Audition piece:

Prince: Friends Rise. There is no need to be so formal. Now why is there so much laughter and music upside my palace this morning? (Speaks to Chorus girls). You're a pretty young thing you'll tell me won't you?

Poppet: I'll tell you your highness.

Prince: And what's your name?

Poppet: Poppet your highness.

Prince: Very pretty name (turns to Dandini) Why didn't you tell me there were so many pretty girls in my kingdom? Trying to keep them all for yourself ?

Poppet: Your very handsome yourself your highness. Your image on those stamps don't really show your best side! I'd get some new ones commissioned if I were you!

Prince: Well you're definitely not afraid to say what you think are you. Your not dazzled by my beauty?

Poppet: The only thing dazzling me is your teeth! Are they your own or have you had veneers put on them?

Prince: Cheeky! I use Colgate whitening.....I'd recommend it to anyone.

(They both laugh).
